

BACHELOR OF SCIENCE BUSINESS MANAGEMENT

DAYMAR
COLLEGE
ONLINE

The Bachelor of Science program in Business Management is designed to prepare students for careers in business by presenting management concepts, techniques, and approaches as they apply to the leadership and operation of small, medium-size, and large or global enterprises. Emphasis is placed on planning, organizing, decision-making, human resources management, operations management, and international business. Upon completion of the program, the student is prepared for employment in the exciting world of business in a variety of occupations.

Graduates leave Daymar College Online armed with the advantages of solid business, communication, and management skills and can be confident that they are prepared to meet the challenges of a career in Business Administration in roles such as Business Manager, Small Business Owner, Human Resources Manager, Project Manager ... *And more!*
